

# Charles Art / Insurance

Welcome to Charles Art / Insurance. We are the first art insurance agency in Asia, leading art and jewellery insurance. We offer a wide range of advisory and insurance options that will meet your unique needs. We always offer you the most comprehensive coverage at the most competitive price.

## About Us

Since 2008, Charles has been involving in private and corporate art and jewellery insurance, art gallery insurance, auction house insurance, museum art insurance, art exhibition and transit insurance. He provides art advisory service including art management and valuation. In 2013, Charles founded Charles Art Insurance, offering art and jewellery insurance services independently and exclusively to his clients. His passion in art, combined with his expertise in insurance gives him an unique advantage in protecting your prized collections.

Charles Art / Insurance offers a variety of art insurance coverage plans based on your specific needs. The insured collections can be paintings, sculptures, prints, photographs, stamps, coins, medals, rare books, wines or antiques. If you have good security, protection and nil insurance claim record, we can offer you very competitive insurance rates. Even if your record isn't perfect, we still offer good rates.

## **Private Collection Art Insurance**

The policy provides worldwide "all risks" insurance, including cover for accidental damage, items temporarily removed from the collector's premises and automatic cover for new acquisitions to your collection."

Charles Jewelry / Insurance offers a variety of jewelry insurance coverage plans based on your specific needs. The insured jewelries can be diamond, necklaces, rings, watches, bracelets, gold, platinum goods, bullion, unset precious stones or pearls. No matter you are jewelry collectors, jeweler retailer, jewelry wholesaler or pawnbrokers, we provide you one-stop solution.

## **Art Conservation Restoration**

We have an extensive network of professional art conservators for paintings, sculptures, and artefacts of various media.
